Join us on Saturday, June 26, 2021 for the annual fishing trip. Our thanks to Chris Pellegrini, William Charles Printing, who will be coordinating the trip again this year. Everyone is invited to participate in this event to support the Matt Bernius Scholarship Fund.

We have chartered the Yankee III party boat for a fun day of bay fishing, leaving from Captree Boat Basin, at 7:45 am, rain or shine, and returning at approximately 3 pm. The boat will be supplied with coffee, bagels, bait, poles, prizes for the kids, soft drinks, beer and our typical camaraderie. Breakfast is sponsored by William Charles Printing.
