

OSHA is out there inspecting printing operations. If your compliance training isn't up to date, the citations are serious and expensive! A bad safety record will increase worker's compensation cost, lead to bad morale, impact productivity and potentially cause you to lose customers. And it's not easy finding a replacement for a hurt employee.

That's where PGCA can help!

The PGCA's OSHA Compliance Webinars are available “On Demand” – 24/7, 365 days a year. All of the webinars are available at no cost to PGCA members.

Advantages of PGCA's OSHA Compliance Webinars:

- Training fits better into your work and production demands
- Employees can access training at their convenience. No need to bring everyone off the floor at the same time on the same day.
- No employee falls through the cracks due to illness or vacations or production demands
- Presents a convenient opportunity to address site-specific issues
- Mandatory training can be part of onboarding of new hires

All PGCA OSHA Compliance webinars contain basic compliance instructions for each standard, background materials and guidance on tailoring the training to your particular facility. Also, five of the webinars are available in both English and Spanish versions.

Log In. Get Trained!

Mobile-Ready Training: Access PGCA's safety training webinars from any internet connection on a desktop computer, tablet or mobile device to get the training you need, anytime, anywhere.

How to Access the PGCA OSHA Compliance Webinars

- Click on the blue “Member Sign In” button at www.printcommunications.org.
- Members can login with their email address and the password print123.
- Click “Access Webinars” in the Safety Webinar box.
- Choose the webinar you wish to view.
- The webinar registration page includes any pertinent documentation and handouts needed for each webinar.
- All webinars include basic training components necessary to be in compliance. In most instances, companies will need to add training information about hazards and policies specific to your operation. PGCA provides guidance on company-specific elements where necessary.
