Don't Let Shipping Mishaps Slow You Down

A lot can go wrong in shipping – package loss, breakage, porch piracy theft. The good news is that you can mitigate the financial impact of some shipping mishaps with InsureShield® shipping coverage.

Through your PGCA UPS® Savings Program, you have access to insurance that can help keep your business moving despite the everyday risks of shipping.

All you have to do is enter the value of the goods in the declared value* field of your UPS® approved shipping system and you are on your way to better shipping experiences.
