

## NEW SPANISH LANGUAGE SUBTITLES

*Nosotros estamos emocionados!!*

The Print University (TPU) is a library of over 77+ embeddable video modules and written transcripts covering intended to be used as an introduction to the Graphic Arts and Production Printing Industries.

### NEW LANGUAGE TRANSCRIPTION

We heard you and found a path to add Spanish language, closed caption subtitles to the TPU video library! These translations are AI generated. The translations are good, but not perfect due to our industry-specific terminology and the strength of today's AI models. The new option is a great starting point for your Spanish-speaking audience.

### STEPS TO TURN ON LANGUAGE SUBTITLES

1. Access the video episode as normal.
2. Hover the mouse over the video to access the toolbar with on-screen video controls in the bottom-right corner.

3. Click the Closed Caption [CC] icon.

4. Choose your language option, i.e., Español.
