

-PGCA Mailers- Do You Need Postal Support?

Join Mailers Council and Be in the Know!

GET SOLUTIONS FAST

Experts and consultants are available by phone or email. Your industry colleagues are collaborating in the Community Forum. Searchable archives with a wealth of information. The information you need, when you need it, the way you prefer to access it.

NETWORK AND COLLABORATE

All subscribers can access and participate in the Online Community Forum. Meaning your entire organization has the ability to easily connect and communicate with industry colleagues across the nation. Seek advice and share successes.

INFORMATION & TRAINING

Having well-trained and educated staff doesn't have to be expensive or time-consuming. Mailers Hub has multiple options for delivery and content to best suit your business needs. Plus webinars, newsletters, and more.

PGCA MAILERS COUNCIL SERVICES:

Community Forum: Network, collaborate, get answers, and share solutions and recommendations

Training & Certification: Training and education to meet many levels of training and content needs, available on-demand, via Zoom, or in-person

Postal Hotline: Answers to your mail and postal-related questions – from mail piece design to DMM regulations and more – are available via phone, email, or web form within minutes, not hours

Mailer Scorecard Monitoring: Scorecard errors can quickly add up to expensive penalties without the support to identify and correct issues.

Consultants and Experts: The knowledge and expertise to help you improve your business, from a quick phone call to a long-term engagement.

Webinar Archives: Exclusive access to Mailers Hub webinars

Mailers Hub News Library: Exclusive access to the full archive of this industry-leading publication

DUES:

PGCA Mailers Council Annual Membership - **\$594.00 *** that's a 40% savings for PGCA members!
